

SOFRASER

Pioneering viscometry since 1972

La Poise Newsletter #22

Dear {{ contact.FIRSTNAME }} {{ contact.NOM }},

SOFRASER IS GROWING

We haven't told you yet but... We are happy to welcome 3 new talents in our teams.

We are going to introduce you them:

Sebastien Codiasso

Our new employee as a Manufacturing Operator.

Sebastien holds a "Brevet de Technicien Supérieur" in Industrial Product Design.

He joined Sofraser in February and will be in charge of the quality control of the parts used in the workshop, the manufacturing, control and packaging of our sensors.

Louanne Hamzaoui

Our new apprentice employee as Quality, Safety and Environment Assistant.

Louanne holds a Bachelor's degree in Economic Law and Management with an option in Organizational Management and is currently preparing a Master's degree in Economic Law and Management with an option in Business and Company Innovation.

She joined Sofraser in October and will be in charge of analyzing and designing solutions for the company, leading and piloting projects, understanding and interpreting economic and organizational dynamics, and monitoring and anticipating Sofraser's issues and needs.

Melany Theis

Our new apprentice employee in charge of marketing and communication.

Melany holds a Bachelor's degree in Business Management and Development and is currently preparing a Master's degree in Marketing and Communication.

She joined Sofraser in October and will be in charge of content creation and updating of our website, Sofraser's internal and external communication, event organization and execution, and the development and analysis of our marketing performance.

NEW DISTRIBUTORS

We also welcome 4 new distributors that joined sofraser's distributors network between 2019 and 2020. We wish them much success.
